

Car Parking

Due to the high volume of people coming into the town, Larne Athletic Club recommend you consider car sharing to ease congestion. There is only very limited car parking at Larne Leisure Centre and the surrounding roads.

Car parks will be signposted from the approach to Larne. The two car parks are at Redlands Road at the end of the Harbour Highway dual-carriageway and on Fleet Street.

Note that there is no shuttle bus this year – runners should make their own way to and from Larne Leisure Centre – approximately 15 minutes walk.

There are a number of public car parks near the town centre that are perfect for spectators wanting to watch as the race enters the town.
